ULTIMATE BLIND

LUXURY HUNTING WITHOUT YEARLY MAINTENANCE

Forget annual repairs—the **ULTIMATE** Blind delivers premium quality and superior durability with zero maintenance. Its realistic custom paint design blends into nature, creating your perfect safe haven.

Specs Disclaimer:

Because of our culture of constantly improving your hunting experience, **product specs are subject to change.**

EXTERIOR

- (A) HEIGHT:** **ULTIMATE** Blind assembled height of 15'
- (B) DURABILITY:** 1-piece round fiberglass roof design for leak-proof durability
- (C) INVISIBILITY:** Multi-layered, multi-colored stenciled camo paint (4 combinations to choose from)
- (D) TRANSPORT:** Fork pockets in upper and lower sections for easy loading

INTERIOR

- (E) ACCESSIBILITY:** Large fully-insulated entrance door for accessibility & sound reduction
- (F) LONGEVITY:** Deep-ribbed exterior cladding of 29 gauge painted steel, for longevity in the elements
- (G) WEATHERPROOF:** Roof & window joints polyurethane sealed, and entrance door is double-sealed to keep weather outside
- (H) VISIBILITY:** 10 clear windows offer 360 degree viewing
- (I) NATURE-PROOF:** Louvered & screened aluminum vents, keeps interior dry & bug-free
- (J) LEAK-PROOF:** Bulb seals, polyurethane bonding, & 8 latch points on windows for superior leak protection
- (K) RELAXATION:** Walls & ceilings of both sections fully insulated (including under main floor), to prevent cold feet & dampen sound
- (L) STABILITY:** Well-supported 3/4" plywood floor ensures floor remains flat
- (M) COMFORT:** Premium all-weather carpeted flooring provides comfort & dampens sound

ULTIMATE HUNTS

Welcome to comfortable hunts!

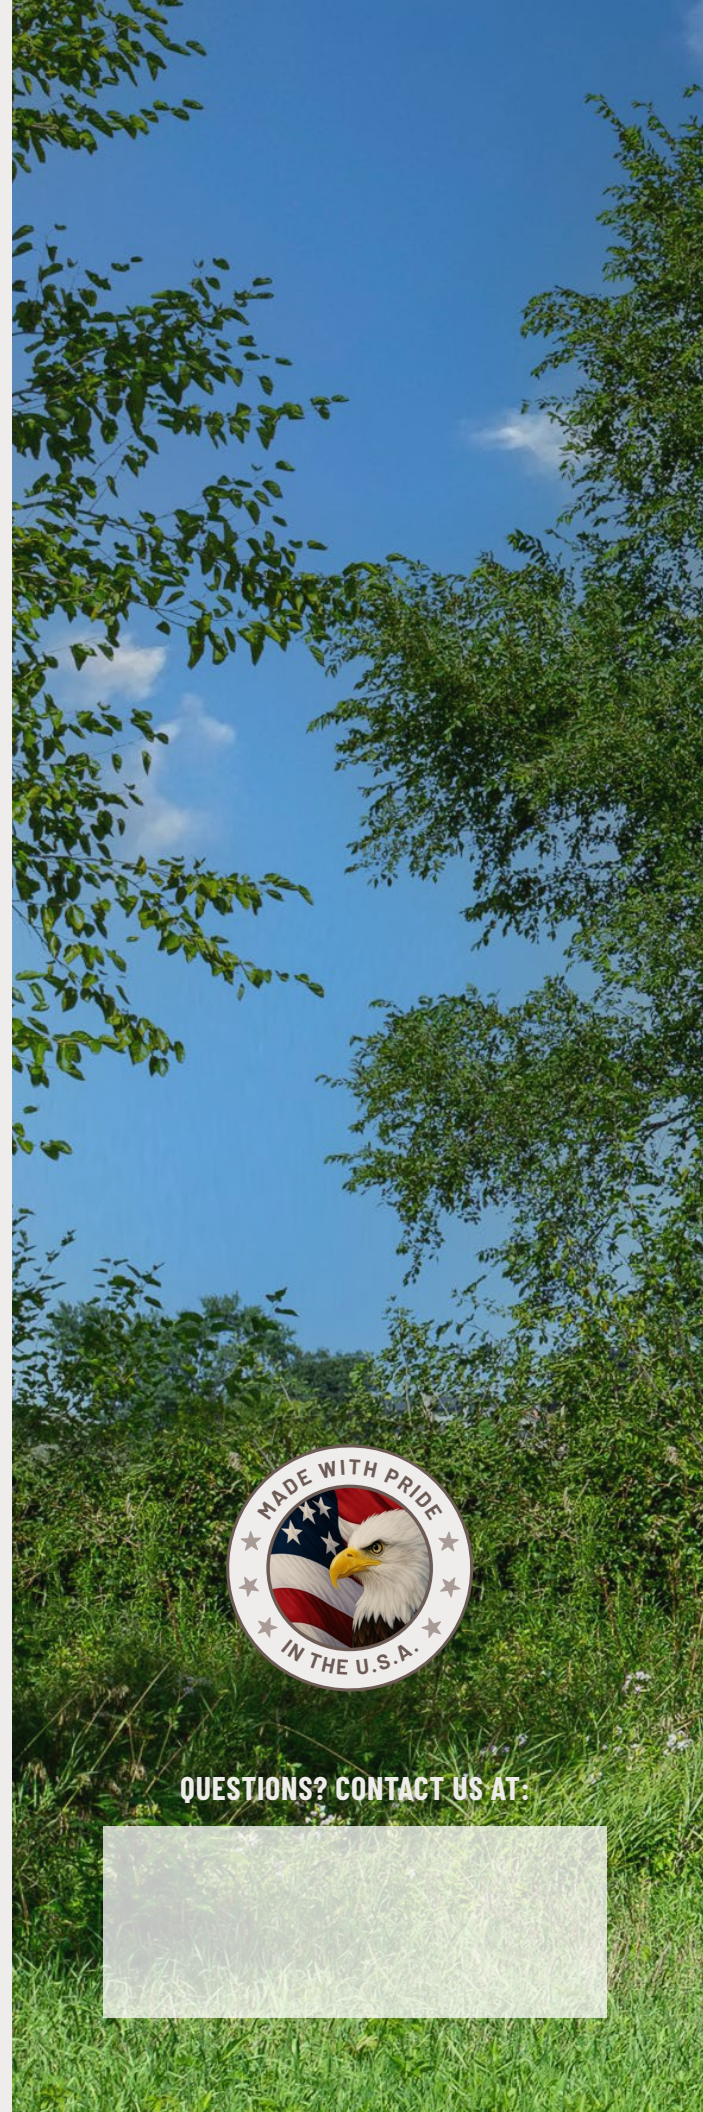

A WORD FROM OUR FOUNDER

We believe your blind should look like it belongs in the wild. That's why we build hunting blinds that blend perfectly with nature. Guided by Christian values including Integrity and Reliability, our commitment is simple: to deliver the best products supported by unmatched customer service.
