XT SERIES BLIND

## LUXURY HUNTING WITHOUT YEARLY MAINTENANCE

Forget annual repairs—the XT Blind delivers premium quality and superior durability with zero maintenance. Its natural woodgrain design blends into nature, creating your perfect safe haven.

**Specs Disclaimer:**  
 Because of our culture of constantly improving your hunting experience, **product specs are subject to change.**

### EXTERIOR

- A STRENGTH:** Vertical structural columns and a stepped-roof design add strength & height
- B TRANSPORT:** Integral notching on roof edges, designed specifically for 2" webbing straps
- C VISIBILITY:** Unique roof ribs channel rain away from windows for clear view & clean shots

### INTERIOR

- D HEIGHT:** XT Series—Xtra Tall—Designed for increased comfort & clean bow shots
- E CAMOUFLAGE:** Innovative round design & woodgrain texture blends into nature
- F LONGEVITY:** Solid thru-color rotomolded material, ensures durability & no annual upkeep
- G DISCREET:** Silent-opening hinges use tension to help hold the window in position
- H NATURE-PROOF:** Louvered & screened aluminum vents to keep interior dry & bug-free
- I WEATHERPROOF:** Bulb seals, polyurethane bonding, & 8+ latch points for leak protection
- J RELAXATION:** Insulated rib geometry under floor prevents cold feet & dampens sound
- K STABILITY:** Sturdy CNC-cut 1/2" plywood floor is thru-bolted to ensure it remains flat
- L COMFORT:** Premium all-weather carpeted flooring provides comfort & dampens sound

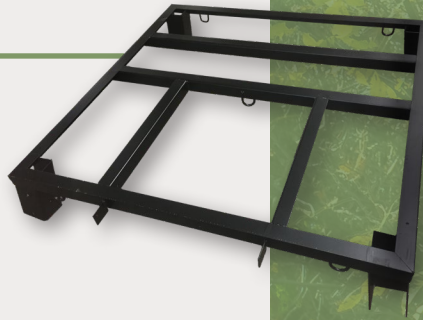

## ACCESSORIES

# ELEVATE YOUR GAME

### STEEL ELEVATION PLATFORM

- Labyrinth design on blind underside features recessed channels which nest perfectly with steel platform, making installation quick & easy
- Multiple steel tie-down loops are welded for strength
- Powder-coated finish for longevity

*Steel ladder brackets available, not included*

### CAMO-BLACKOUT CURTAINS

- Reversible for dynamic concealment so you can effortlessly blend into many environments
- True Timber® **New Conceal** 600 denier coated polyester fabric is UV protected with a durable, water repellent finish
- Strong **Rare-Earth** magnets are sewn captive right into curtains—secure & worry-free
- Countersunk steel washers & mounting screws prevent snags

## A WORD FROM OUR FOUNDER

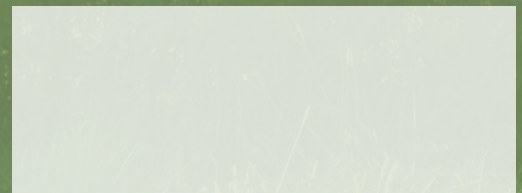

We believe your blind should look like it belongs in the wild. That's why we build hunting blinds that blend perfectly with nature. Guided by Christian values including Integrity and Reliability, our commitment is simple: to deliver the best products supported by unmatched customer service.
